

You should not allow
Sinclair
Broadcasting to
force their stations
to air an Anti-Kerry
program weeks before
a major election.
This is the same as
giving the
Republicans 2 hours
of free unopposed
airtime. It is
wrong, unfair and
against the true
Democratic process.

Sinclair uses the
public airwaves free
of charge, and is
obligated by law to
serve the public
interest. Actions
like this aren't
good for anyone.
Although it may
serve Sinclair and
their personal
interest today, it
may work against
their favor in a
different year.
This is why you must
level the playing
field and not allow
this kind of blatant
violation. This
cannot be the
precedent.

Thanks You,
